## What do we do

We can support you if you have been in contact with the police. This can help to keep you safe.

We can support you with your mental health. Mental health is how we feel inside.

We can help you to manage your feelings and keep you safe.

## How we will work with you

Our team can work with you if you agree to see us.

We will carry out assessments to find out more about you and decide how best to help you.

We will do work face to face or in a group.
