

Information for Patients and Visitors

Please remember the following when you are in hospital or are a visitor:

- Keep the bedside locker and bed space clutter free.

**Do not bring unnecessary items or valuables.
Patient's property should fit into and be stored
in the locker**

- Take personal laundry home as soon as possible
- Fresh flowers or potted plants can pose an infection risk and are not permitted
- Latex (rubber) balloons are not allowed - they can cause an allergic reaction
- Please do not bring high risks foods for patients such as meat/poultry, sandwiches or dairy products. Low risk foods are allowed such as sweets, long-life products, juices and biscuits
- Some patients may have restrictions on what they can eat or drink. Please check with ward staff
- Alcohol is not allowed anywhere in the hospital
