1.1 This document

1.1.1 This *Management Statement* and *Financial Memorandum* (MS/FM) has been drawn up by the sponsor Department, the Department of Health, in consultation with the Northern Health & Social Care Trust (referred to in this document as NHSCT or the Trust), Northern Trust HQ, Bretten Hall, Antrim Area Hospital site, Bush Road, Antrim, BT41 2RL. The document is based on a model prepared by the Department of Finance (DoF).

1.1.2 The terms and conditions set out in the combined *Management Statement* and *Financial Memorandum* may be supplemented by guidelines or directions issued by the sponsor Department/Minister in respect of the exercise of any individual functions, powers and duties of the NHSCT.

1.1.3 A copy of the MS/FM for the NHSCT should be given to all newly appointed Trust Board Members, senior Trust executive staff and departmental sponsor staff on appointment. Additionally the MS/FM should be tabled for the information of Trust Board Members at least annually at a full meeting of the Board. Amendments made to the MS/FM should also be brought to the attention of the full Board on a timely basis.

1.1.4 Subject to the legislation noted below, this *Management Statement* sets out the broad framework within which the Trust will operate, in particular:

- the Trust's overall aims, objectives and targets in support of the sponsor Department's wider strategic aims and the outcomes and targets contained in the Programme for Government (PfG) and in the Commissioning Plan Direction (CPD);
- the rules and guidelines relevant to the exercise of the Trust's functions, duties and powers;
- the conditions under which any public funds are paid to the Trust; and
- how the Trust is to be held to account for its performance.

1.1.5 The associated *Financial Memorandum* sets out in greater detail certain aspects of the financial provisions which the NHSCT shall observe. However, the *Management Statement* and *Financial Memorandum* do not convey any legal powers or responsibilities.

1.1.6 The document shall be periodically reviewed by the sponsor Department in line with the reviews referred to in Section 7 below.

1.1.7 NHSCT, the sponsor Department, or the Minister, may propose amendments to this document at any time. Any such proposals by the Trust shall be considered in the light of evolving departmental policy aims, operational factors and the track record of the Trust itself. The guiding principle shall be that the extent of flexibility and freedom given to the Trust shall reflect both the quality of its internal controls to achieve performance and its operational needs. The sponsor Department shall determine what changes, if any, are to be incorporated in the document. Legislative provisions shall take precedence over any part of the document. Significant variations to the document shall be cleared with DoF Supply after consultation with the Trust, as appropriate. (The definition of “significant” will be determined by the sponsor Department in consultation with DoF).

1.1.8 The *MS/FM* is approved by DoF Supply, and signed and dated by the sponsor Department and NHSCT's Chief Executive.

1.1.9 Any question regarding the interpretation of the document shall be resolved by the sponsor Department after consultation with the NHSCT and, as necessary, with DoF Supply.

1.1.10 NHSCT shall provide the documentary evidence detailed in Appendix 1 to the sponsor Department within the timeframes identified therein.

4.9 Additional departmental access to NHSCT

4.9.1 In addition to the right of access referred to in paragraph 4.6.2 above, the sponsor Department shall have a right of access to all NHSCT's records and personnel for purposes such as sponsorship audits and operational investigations (See also paragraphs 3.4.4 and 4.7.2 access to Board and Audit Committee minutes).

5. EXTERNAL ACCOUNTABILITY

5.1 The annual report and accounts

5.1.1 After the end of each financial year NHSCT shall publish as a single document an annual report of its activities together with its audited annual accounts. The report shall also cover the activities of any corporate bodies under the control of the Trust. A draft of the report shall be submitted to the sponsor Department in line with the timescale set by the Department before the proposed publication date although it is expected that the Department and the Trust will have had extensive pre-publication discussion on the content of the report prior to formal submission to the Department.

- 5.1.2 The report and accounts shall comply with the most recent version of the Government Financial Reporting Manual (FRoM) issued by DoF. The accounts shall be prepared in accordance with any relevant statutes and the specific Accounts Direction issued by the sponsor Department.
- 5.1.3 The report and accounts shall outline NHSCT's main activities and performance during the previous financial year and set out in summary form its forward plans. Information on performance against key financial targets shall be included in the notes to the accounts, and shall therefore be within the scope of the audit.
- 5.1.4 The report and accounts shall be laid before the Assembly and made available, in accordance with the guidance on the procedures for presenting and laying the combined annual report and accounts as prescribed in the relevant Finance Director (FD) letter issued by DoF.
- 5.1.5 Due to the potential accounting and budgetary implications, any changes to accounting policies or significant estimation techniques underpinning the preparation of annual accounts requires the prior written approval of Finance Directorate in the sponsor Department.

5.2 External audit

- 5.2.1 The C&AG audits NHSCT's annual accounts and passes the accounts to Finance Directorate in the sponsor Department who shall lay them before the Assembly. For the purpose of audit the C&AG has a statutory right of access to relevant documents as provided for in Articles 3 and 4 of the Audit and Accountability (Northern Ireland) Order 2003.
- 5.2.2 The C&AG will liaise with NHSCT on the arrangements for completing the audit of its accounts. This will either be undertaken by staff of the NIAO or a private sector firm appointed by the C&AG to undertake the audit on his behalf. The final decision on how such audits will be undertaken rests with the C&AG, who retains overall responsibility for the audit.
- 5.2.3 The C&AG has agreed to share with the sponsor Department relevant information identified during the audit process, including the report to those charged with governance, at the end of the audit. This shall apply, in particular, to issues which impact on the Department's responsibilities in relation to financial systems within NHSCT. The C&AG will also consider, where asked, providing Departments and other relevant bodies with reports which Departments may request at the commencement of the audit and which are compatible with the independent auditor's role.

5.3 VFM examinations

- 5.3.1 The C&AG may carry out examinations into the economy, efficiency and effectiveness with which NHSCT has used its resources in discharging its functions. For the purpose of these examinations the C&AG has statutory access to documents as provided for under Articles 3 and 4 of the Audit and Accountability (Northern Ireland) Order 2003. Where making payment of a grant, or drawing up a contract, NHSCT should ensure that it includes a clause which makes

the grant or contract conditional upon the recipient or contractor providing access to the C&AG in relation to documents relevant to the transaction. Where subcontractors are likely to be involved, it should also be made clear that the requirements extend to them.

6. STAFF MANAGEMENT

6.1 General

6.1.1 The decision to create or fill a Director or Assistant Director position within NHSCT is subject to approval by the Permanent Secretary of the Department of Health. This position will be kept under review by the Department. Similarly, no change to the remuneration of Senior Executives can be made without prior approval by the Permanent Secretary of the Department. Any request for approval in connection with this paragraph should be addressed to the Departmental Director of Workforce Policy.

6.1.2 Within the arrangements approved by the Minister and DoF, NHSCT shall have responsibility for the recruitment, retention and motivation of its staff. To this end the Trust shall ensure that:

- its rules for the recruitment and management of staff create an inclusive culture in which diversity is fully valued; where appointment and advancement is based on merit; and where there is no discrimination on grounds of gender, marital status, domestic circumstances, sexual orientation, race, colour, ethnic or national origin, religion, disability, community background or age;
- the level and structure of its staffing, including grading and numbers of staff, are appropriate to its functions and the requirements of efficiency, effectiveness and economy;
- the performance of its staff at all levels is satisfactorily appraised and the Trust's performance measurement systems are reviewed from time to time;
- its staff are encouraged to acquire the appropriate professional, management and other expertise necessary to achieve the Trust's objectives;
- proper consultation with staff takes place on key issues affecting them;
- adequate grievance and disciplinary procedures are in place;
- whistle blowing procedures consistent with the Public Interest (Northern Ireland) Order 2003 are in place; and

- a code of conduct for staff is in place based on Annex 5A of Public Bodies: A Guide for NI Departments (available at www.afmdni.gov.uk).

7. REVIEWING THE ROLE OF NHSCT

7.1 The role of NHSCT may be reviewed at the discretion of the sponsor Department, particularly to align with the outcomes of the strategic transformation agenda. Chapter 9 of the Public Bodies: a Guide for Northern Ireland Departments refers.
