

- I wish to submit a request to the organisation around their hosting contract(s) with 3rd party providers.

The type of contract I wish to see is below:

1. **Dedicated hosting- Managed environment**
2. **Co-Location- hosting allows a business to still own their own server equipment; however, instead of storing it in their own data centre, they instead are able to store it in rented space in a colocation hosting centre.**
3. **Cloud Hosting- Cloud hosting services provide hosting for websites on virtual servers, which pull their computing resource from extensive underlying networks of physical web servers.**

Not all of these will be applicable to the organisation.

For the different types of hosting services, can you provide me with the following information:
