

FOI 4070

Transthyretin Amyloidosis (ATTR)

1) How many new patients have been diagnosed with wild type Transthyretin Amyloid Cardiomyopathy (ATTR-CM) in your Trust in the last 4 months?

The Northern Trust do not keep a database of ATTR amyloid patients.

The number of patients who attended the hospital as an inpatient with a code for ATTR-CM anywhere in their 25 diagnosis code positions, between 01/01/2026 - 30/04/2026, was 6 patients.

2) How many new patients have been diagnosed with hereditary Transthyretin Amyloid Polyneuropathy (ATTR-PN) in your Trust in the last 4 months?

The Northern Trust do not keep a database of ATTR amyloid patients.

No patients were found with ATTR-PN.

3) What is the total number of patients with wild type Transthyretin Amyloid Cardiomyopathy (ATTR-CM) being treated in your Trust?

The Northern Trust do not keep a database of ATTR amyloid patients.

4) What is the total number of patients with hereditary Transthyretin Amyloid Polyneuropathy (ATTR-PN) being treated in your Trust?

The Northern Trust do not keep a database of ATTR amyloid patients.

5) Of the newly diagnosed wild type ATTR-CM patients, how many were initiated with the following treatments:

- a) Vutrisiran- 0
- b) Tafamidis 61mg- Jan 2026 – Apr 2026 - 1
- c) Acoramidis- 0
- d) Enrolled in a clinical study- no drug clinical trials.

6) Of the newly diagnosed ATTR-PN patients, how many were initiated with the following treatments:

- a) Vutrisiran- 0
- b) Eplontersen- 0
- c) Enrolled in a clinical study- no drug clinical trials.

7) What is your Trust's protocol for confirming diagnosis of ATTR patients? Is diagnosis confirmed by your Trust or the National Amyloidosis Centre (NAC)?

Diagnosis in some cases is made by local cardiologist following a combination of imaging and histological investigation. In other cases, patients are referred to the National amyloidosis centre for definitive diagnosis.

8) Of the diagnosed patients, how many had their diagnosis made/confirmed in your Trust by the National Amyloidosis Centre (NAC) London or Midlands?

Information not held.

9) How many patients have been confirmed for treatment initiation either:

- a) Virtually**
- b) In person**

Information not held.
