

Freedom of Information Request

Please could you provide me with the complete data on waiting times for referrals for eating disorders across all age groups, genders and ethnicities for the following years:

2018/19

2019/20

2020/21

Please see attached. Unfortunately due to current changes ongoing in information systems it is not possible to access periods January to October 2018 or from February 2021. The current information systems do not allow for a breakdown of data into age groups or gender and ethnicity recording on the system has only recently been introduced.

.

NORTHERN HEALTH AND SOCIAL CARE TRUST

EATING DISORDER SERVICE
