

Freedom of Information Request

1. How many people with a learning disability and/or autism have died with COVID 19 within your Trust between March 2020 and July 2021?

This information is not held centrally by the Trust for Learning Disability and/or autism; however, the feedback from each of the Learning Disability Teams is that 10 people with a learning disability died during that period having had a diagnosis of Covid 19. This information is not recorded centrally for autism.

2. Where have these people been living prior to death?

Family Home

Own Home

Supported Living (less than 4 people)

Supported Living (4 or more people)

Residential Home

Nursing Home

1 lived in family home

1 lived in supported living - more than 4 people

3 lived in supported living – less than 4 people
