Re: Request for information – Freedom of Information Act 2000

Further to your request for information as follows: - Provide a breakdown of ICU patient vaccination status per day from the 20th December to and including the 24th December?

The Trust can advise that between 20th and 24th December, 75% of the COVID positive patients in ICUs were unvaccinated. The Trust is unable to provide any further breakdown of the figures as this could result in identification of individual patients.

Trust decisions in relation to the release of information that the Trust holds are governed by the Freedom of Information Act (FOIA) 2000, the Data Protection Act (DPA)/GDPR 2018 and other pieces of associated legislation.

If you are dissatisfied with the Trust's response, you may request an Internal Review... in writing or by email to the Data Protection Officer, Mrs Nicola Lyons, at the addresses below.
