

Freedom of Information Request

(a) Does your organisation use 'Roundup' or any other glyphosate for weed control?

The Trust's appointed ground maintenance contractor uses a glyphosate product for weed control.

(b) How many workers are directly involved in its administration i.e. how many workers spray or otherwise are risked to exposure to the chemical?

The ground maintenance contractor has 4 no. members of staff directly involved in the administration of glyphosate across the Northern Health and Social Care Trust (NHSCT).

(c) Have you any plans to end the use of glyphosate given health concerns?

The ground maintenance contractor will continue to use glyphosate until such times as the HSE recommend they cease using.
