**Contract expiration** - **Notes** - e.g. we are currently out to tender Is this contract annually renewed? - Yes/No Do you currently have plans to replace this system? - Yes/No.

Northern Health & Social Care Trust does not hold this information. The Radiology Information System contract is managed for all Northern Ireland HSC Trusts by Digital Health and Care Northern Ireland (DHCNI), HSCB, Linenhall Street, Belfast BT2 8BS.

**System definitions:**

**Maternity** – It is the specialist maternity system in use for maternity care.

**Radiology Information System (RIS)** – It is the core system for the electronic management of imaging departments. Often used in conjunction with PACS and VNAs, major functions of the RIS can include patient scheduling, resource management, examination performance tracking, reporting, results distribution, and procedure billing.
