

Freedom of Information Request

Please confirm the following items of data, relating to the months of March 2020 to September 2020, inclusive:

See below for Community Care Division.

- 1. The number of people receiving a homecare service from a regulated homecare agency and funded by the Trust.**

Care Management & Non-Care Packages in effect at month end							
	Mar-20	Apr-20	May-20	Jun-20	Jul-20	Aug-20	Sep-20
DOMICILIARY CARE	5798	5635	5551	5927	6109	5412	6400

- 2. The number of people in (a), who requested some form of temporary or permanent suspension of their care service (for any reason), including those suspended at the request of the person's representative.**

709 in total for period March 2020 to September 2020

- 3. The number of people in (b), who requested that their homecare service was restarted.**

623 in total for period March 2020 to September 2020

- 4. The number of people in (c), who have not had their care needs reassessed by the Trust following a restart request.**

All 623 had some form of reassessment, many of these were informal and via telephone.

- 5. The number of people in (c), whose package of care was reduced following reassessment.**

Zero we did not reduce any following the reassessment.

See below for Mental Health and Learning Disability.
