Executive Summary				
Involvement Annual Report 2024/25				
Personal and Public Involvement (PPI) has been a statutory requirement since 2009 and has been further enhanced by the DOH Co-Production Guidelines which were published in 2018. Patient and Client Experience (PCE) standards have been in place since 2009. The Trust must ensure it involves service users and carers in the planning, delivery and evaluation of services. This report showcases how the Trust is meeting those requirements.				
The Involvement Annual Report 2024-2025 was approved by the Northern Partnership and Population Health Committee on 27 May 2025, it was agreed that the report should be presented to Trust Board for noting.				

We provide compassionate care with our community, in our community
